DC Fish Carryout: Felony Crack Cocaine Charges - Sign Petition to Revoke ABC License

Based on strong investigative leads, DC's Metropolitan Police Department executed a search warrant at the DC Fish Carryout, at 3475 14th Street NW. MPD found large quantities of crack cocaine on the premises. Three defendants were arrested for felony distribution of crack cocaine, including Suk "Bruce" In Hyun, 54, the owner of the DC Fish Carryout who holds a DC license to sell tobacco and alcoholic beverages. The other two defendants, Craig McKoy, 43 and Timothy Diablo Hill Jr, 24, have long criminal histories. All three are being prosecuted by the US Attorney's Office, and felony convictions are expected in all three cases.

Why is drug dealing so prevalent in our neighborhood, but not in other parts of DC? It's partly our own fault. When we don't scream "NO WAY," we whisper "okay." OUR children's futures matter just as much as anyone's. Let's not stand around and allow businesses that support the crack trade to prosper through the privilege of a city liquor license.

1. Sign a petition and/or write a letter to recommend revocation of DC Fish Carryout's license to sell alcoholic beverages and tobacco
2. Write community impact statements in the criminal cases of the three defendants
3. Sign a petition and/or write a letter to recommend revocation of DC Fish Carryout's business license through DCRA

Community Criminal Justice Accountability Initiative: Protecting the Next Victim is Up to Us

Many people in our community are not aware of the problem of chronic repeat criminal offenders in our community. The same defendants are arrested, sentenced and then released, only to commit more crimes. It's up to us to "close the revolving door" and make sure that our system hands down meaningful, appropriate sentencing and rehabilitation.

What can YOU do? You can help by writing Community Impact Statements for cases now **pending sentencing**:
