WHEREAS, there continue to be public safety challenges in ANC1A and specifically in single member district 1A01,

WHEREAS, we are encouraged by the city's increased investment in Violence Interrupters and violence prevention programs such as Cure the Streets to help with these challenges and know that many of these challenges will require long-term time, attention, and resources,

WHEREAS, an MPD CCTV camera may be a near-term option and deterrent for some of the activities we are seeing in our neighborhood including but not limited to assaults, attempted break-ins, armed robberies, increased gun violence and drug sales,

WHEREAS, ANC1A gave notice to residents in Single Member Districts 1A01 to assess interest in installation of said security camera by MPD,

BE IT RESOLVED, that in accordance with majority neighbor support, ANC1A is asking MPD to consider installing a closed circuit tv (CCTV) permanent security camera in the alley between the 1400 block of Perry PI NW and Spring Rd NW,
